

Noncustodial Parent Waiver Request for Financial Aid

Financial aid is based on the family's ability to pay as demonstrated by the information submitted in the Parent Financial Statement (PFS). Both custodial and non-custodial parents (regardless of legal settlements) who are divorced, separated, or never married are expected to contribute to educational costs and are required to submit the PFS. Lack of information from either parent may prevent the family from receiving financial aid.

It is possible for the review committee to waive the noncustodial requirement in certain situations. The conditions under which we may consider waiving the noncustodial parent requirement are usually 1) The noncustodial parent's whereabouts are unknown; 2) The noncustodial parent has no contact, and has not had any contact, with the applicant over a period of years; or 3) The noncustodial parent provides no financial support to the student.

This is a petition requesting that we waive the noncustodial parent requirement regarding the submission of financial aid forms. Upon receipt of this petition, our committee will review and respond to the request. Please complete the entire form, answering all questions and submitting all requested documentation. Only completed petitions will be reviewed.
